GENERAL NEWS

Scrip: Remember with the holiday season coming up to use our Scrip Program! Remember that your rebate back can go towards your child(ren)'s tuition, or it can simply go back to the church/school if you choose not to put it towards your tuition. The next pay out period is December 31st, to go towards your 2nd semester tuition payments. An order form for the holiday season is coming home with your oldest child. There are different denomination gift cards available for gift giving. The next orders are due on Monday, Dec 3 and Monday, Dec. 17. There are only 2 more orders before Christmas! If you have any questions please contact Chelsie Stocker in the office at 429-3636.

Christmas Eve Practices: Christmas is a little over a month away, so our Christmas Eve preparations begin soon. Our Saturday Christmas Eve practices for this year are Dec. 8 and 15, from 8:00 a.m.- 9:30 a.m. and Dec. 22, from 8:00 a.m.- 10:00 a.m. Please mark your calendars!

St. John's Christmas Concert: The annual Christmas Concert at St. John's Lutheran School has been scheduled for Monday, December 17, at 1:45 p.m. This originally started as just a band concert and last year we added all the children of St. John's to share some secular songs and make it into a full Christmas Concert involving all the children, K-8. We hope you are able to join us!

Singing Opportunity: Our first Advent service of the new church year is THIS Thursday, Dec. 6. All students in grades K-8 will be singing for the 4:00 p.m. service. Please have your child meet in Ms. Wilson's room by 3:40 p.m. to warm-up. Your child is welcome to stay after school until the time of service, but you will need to inform your child's teacher through a note or a message on Class Dojo. If you have any questions, please contact your child's teacher.

Basketball Season: As we enter the basketball season, please be reminded to support our student-athletes with encouragement to use their God-given abilities. Our goals of our athletic program is for our players to learn the skills of the sport, learn and grow independently and as a team, have fun, and to use their gifts from God as they play and support each other. Parents and spectators are reminded to support all players with good Christian sportsmanship as well as respecting the calls of the officials and the decisions of the coaches. We look forward to a successful basketball season as it tips off on Friday, November 30. To God be the Glory! Go Jaguars.

Geography Bee: This school year, students in grades 4-8 will participate in the National Geographic Geography Bee. The Geography Bee challenges students to learn and know more about our world's geography. National Geographic offers some interactive ways to engage students in preparation for the bee. Please try the following...and even challenge yourself:

1. Use the National Geographic website: <https://www.nationalgeographic.org/bee/study> (or just search "geo bee study corner" for updated quiz questions and other study tips.)
2. Install the "Geobee Challenge App" on your phone/tablet for various study games and quizzes.
3. Nat Geo also has a Geo Bee Quiz skill for Amazon devices; just say, "Alexa, open Geo Quiz."

The school Geography Bee will be held in January!

Have fun challenging yourself and your student!
