GENERAL NEWS

Singing Opportunity: Grades K-8 will be singing THIS Sunday, November 21, in the 10:30 a.m. service. Please have your child meet in the **church at 10:00 a.m. to practice with the Sunday School students who will also be singing.** (Please note this is a change from last week's notice.)

Christmas Practices: Saturday Christmas practices this year are Dec. 4, from 8:00-9:30 a.m., Dec. 11, 8:00-9:30 a.m., and Dec. 18, 8:00-10:00 a.m. Day School students (4K-8) are encouraged to attend all 3 practices, but are allowed to miss the first practice, since we also work on the recitations during school. These practices are very important as they are our only times to work together with our Sunday School students. Please make them a priority for your children. We have the practices early in the day to accommodate any other family plans/celebrations you may have. Thanks in advance for your work with your child!

Thank You: To everyone who brought food for our Veterans Day breakfast. It was a huge success, and we received many compliments. If you brought any dishes, they can be picked up in the kitchen.

Winter Weather: Students should be prepared to go outside each day. Please make sure your child is coming to school with adequate clothing for the weather as the days are getting colder.

Science - Our newest unit in science is on Energy. We will learn about the various forms of energy, the ways energy is used and measured, and how energy is transformed. Along the way, students will be active in their studies through activities, investigations, and be prepared for assessments to show their knowledge and skills.

Catechism - Students are regularly learning the various parts of the Catechism and Bible passages. Students should come to school prepared with their assigned memory work for Catechism. Please take time to help your student learn their memory and talk about it.
